

NH safety handle with guard

- Designation: 1,000 V
- Acc. to DIN VDE 0680/4

Suitable for:

- NH- fuses Size 00-3

Characteristics

- Made from impregnated leather
- With non-slip protection and protective guard

Item	Part No.	Weight g	Packing unit/pcs
NH safety handle with guard	KL600	470	1

Electrician's safety helmet

- acc. to DIN EN 397
- 440 V AC
- Designation: 1,000 V

Characteristics

- Head size adjustable
- Yellow

Item	Part No.	Weight g	Packing unit/pcs
Electrician's safety helmet	KL602GELB	370	1

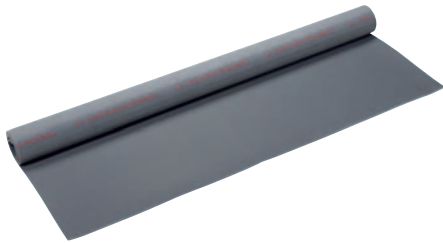

Electricians face protection shield

- Designation 1000 V
- Acc. to VDE

Item	Part No.	Weight g	Packing unit/pcs
Electricians face protection shield	KL603	195	1

■ Insulating floor mat

- Safety mat for safe working with live parts in high voltage areas up to 1000 Volt

Characteristics

- Safety mat for high voltage areas
- Tested acc. to DIN 0303, part 21
- Sure-footed
- Non-slip

Item	Part No.	Dimensions mm	Weight g	Packing unit/pcs
Insulating floor mat	KL620S1000	1000x1000x4	5300	1

■ Rubber cover

- Test voltage: 5 kV/1 min.
- Designation: 1000 Volt
- Shock-proof

Characteristics

- Tested acc. to DIN VDE 0680, part 1
- Insulating cover
- Upper and lower side flat

Item	Part No.	Dimensions mm	Weight g	Packing unit/pcs
Rubber cover	KL625A500	500x500x1,6	440	1
Rubber cover	KL625A1000	1000x1000x1,6	1900	1

■ Plastic clamp

Characteristics

- To fix rubber cover

Item	Part No.	Dimensions mm	Weight g	Packing unit/pcs
Plastic clamp	KL628	150	70	1

■ Safety gloves

■ For working in voltage ranges up to 1000 Volt

Characteristics

■ acc. to DIN EN 60903

Item	Part No.	Dimensions mm	Weight g	Packing unit/pcs
Safety gloves	KL60509	Size 09	250	1
Safety gloves	KL60510	Size 10	250	1

■ Cotton gloves

Suitable for:

■ For use with safety gloves

Characteristics

■ Cotton

Item	Part No.	Weight g	Packing unit/pcs
Cotton gloves	KL605U	50	1

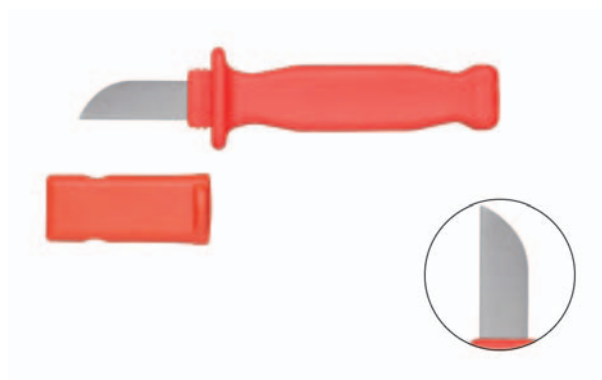

■ Cable knife, straight

Characteristics

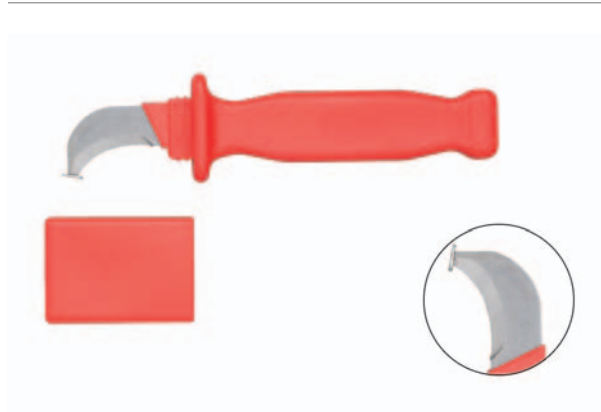

■ With straight, strong blade and safety cap

■ Blade length: 50 mm

Item	Part No.	Dimensions mm	Weight g	Packing unit/pcs
Cable knife, straight	KL640GK	200	105	1

VDE tools

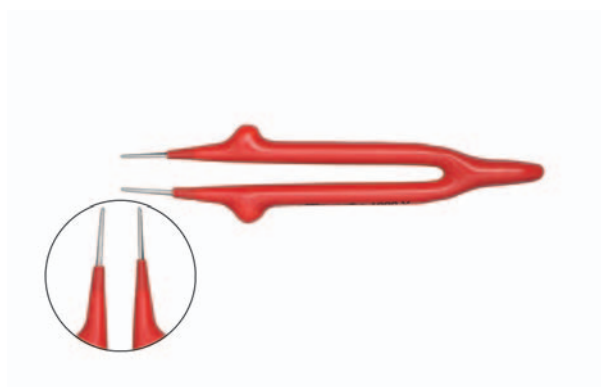

■ Electrician's knife

Characteristics

- With hooked blade
- Special blade tip to protect insulation of conductor
- Safety cap
- Blade length: 40 mm

Item	Part No.	Dimensions mm	Weight g	Packing unit/pcs
Electrician's knife	KL642HK	190	100	1

■ Tweezers

Characteristics

- Straight and pointed tips
- With 2-layers of protective insulation
- Non-slip protection

Item	Part No.	Dimensions mm	Weight g	Packing unit/pcs
Tweezers	KL690130	130	30	1

■ Cleaning brush

Characteristics

- All plastic

Item	Part No.	Weight g	Packing unit/pcs
Cleaning brush	KL698	75	1
