VDE Screwdrivers for plus/minus screws		⊕	KL130PM2IS	476
VDE Cable cutters			KL010210IS	468
Water pump pliers			KL070250	493
Bit set			KL330	509
Combination spanner set			KL365	510
Socket head bit set 1/4", 28-pieces			KL360	505
Universal cabinet key, subkey			KL510	516
Universal saw			KL550	519
Mechanical crimping tool for interchangeable dies			K507	270
Wooden folding rule			KL402	511
Carpenter's pencil			KL449	515
Allen key set			KL370	506
Engineer's hammer			KL580300	517
Safety goggles in nylon bag			KL604	520
Permanent marker pen			KL440F	515
GT-85E bipolar voltage tester with LCD display			52021956	617
Professional roller trolley			KL890TL	526
NETcat® Micro + 200EP			NC100EP	686
CSJ-100 jaw meter, open			52020887	661

■ **Engineers professional case, 15-pieces** 

- Engineers basic equipment, partially with VDE tools

**Characteristics**

- Material: Polytex
- Adjustable carrying belt with shoulder strap
- two large side pockets
- 2 large 90° folding side compartments
- Front side compartment: DIN A4 document sleeve, 17 slots for tools and measuring instruments, 1 small part pocket
- Rear side compartment: 4 large slots, 28 elastic straps, separate main compartment for laptop, additionally split by removable centre panel
