

■ **Kwik-Stripper™ Coax UTP/STP wire stripping tool**

Kwik Stripper™ with CATV and UTP/STP holder

■ **Interchangeable knife holders**

Characteristics

- RG6/RG59 holder for stripping cable sheath to 6.4 mm and insulator to 6.4 mm
- The UTP/STP holder strips 4-pair UTP/STP cables without damaging the individual conductors
- Spare holder integrated into tool
- Extra large finger opening
- Colour-coded holder, blue for UTP/STP and black for coaxial cable
- Prepared stops eliminate the need for additional measuring and calibration

Item	Part No.
Kwik Stripper™ with CATV and UTP/STP holder	50456776

Accessories	Part No.	Page
Spare box UTP/STP	50456679	594
Spare cassette RG6 & RG59	50455800	594
Spare cassette RG7 & RG11	50455818	594

■ **Coax stripper**

■ **No need to adjust the cutting depth**

Suitable for:

- Flexible cables, e.g. 3 x 0.75 mm², 10 mm² and 16 mm²

Characteristics

- Step-by-step stripping of all standard coaxial cables (e.g. antenna and transmission cables) from 4.8 - 7.5 mm external diameter

Item	Part No.
Coax stripper	KL720

Kwik Stripper™ Coax wire stripping tool - 2 stage

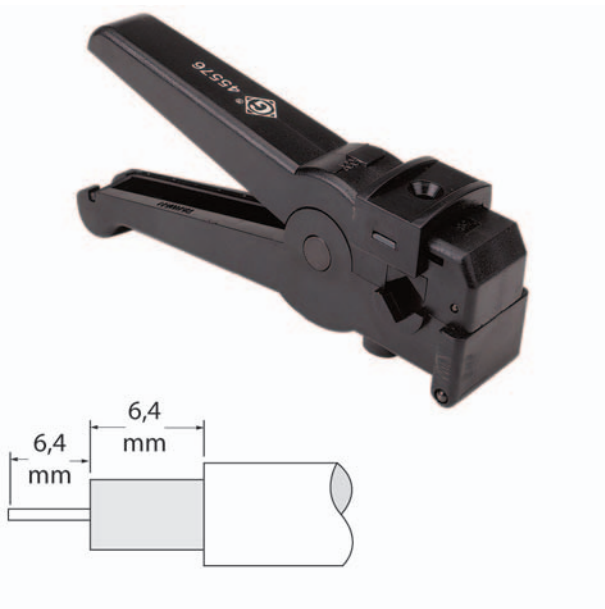

- **Preset for 3 different cable types**

Characteristics

- Removes braiding and insulator to 6.4 mm
- Dresses coaxial cable types RG58, RG59, RG62 and RG6 and many more
- Blade adjustable to cutting depth
- Quick and simple interchangeable blade holder
- Frame takes only 2-stage holders
- Typically used with F-connections

Item	Part No.
Kwik Stripper™ Coax wire stripping tool - 2 stage	50455761

Accessories	Part No.	Page
Spare holder - 2 stage	50450409	

Kwik Stripper™ Coax wire stripping tool - 3 stage

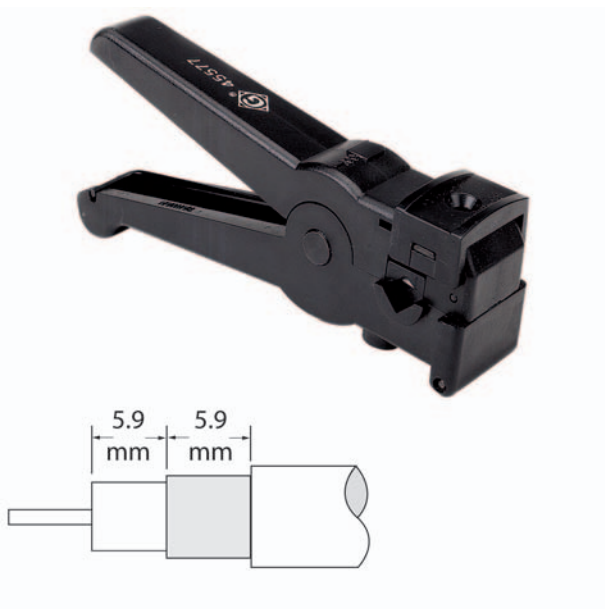

- **Preset for 3 different cable types**

Characteristics

- Dresses coaxial cable types RG58, RG59, RG62 and RG6 and many more
- Blade adjustable to cutting depth
- Quick and simple interchangeable blade holder
- The frame takes both 2 and 3 stage holders
- Typically used with BNC connections

Item	Part No.
Kwik Stripper™ Coax wire stripping tool - 3 stage	50455770

Accessories	Part No.	Page
Spare holder - 3 stage	50450395	
Spare holder - 2 stage	50450409	

■ **Crimping tool for XFC F-type compression plug**

Special crimping tool for weather-resistant F-type compression plug

Characteristics

- Ergonomic handles
- Adjustable to all makes of compression plug
- Dual protection with external sleeve and internal O-ring
- Sleeves colour-coded for simple identification
- Simple processing with practically all compression tools
- Less effort than traditional hex-crimping

Item	Part No.
Crimping tool for XFC F-type compression plug	50608073

Accessories	Part No.	Page
XFC plug for RG6, 50 piece, black	50125869	596
XFC plug for RG6, four-way screen, 50 piece, blue	50125907	596
XFC plug for RG59, 50 piece, red	50125940	596

■ **Kwik Cycle® 9**

Kwik Cycle® 9 Crimp frames

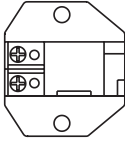

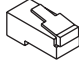

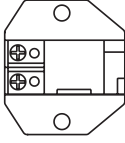

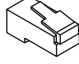

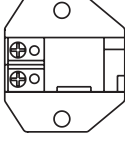

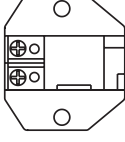

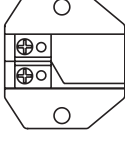

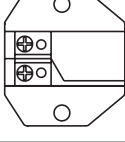

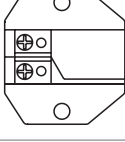

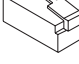

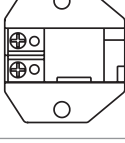

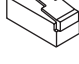

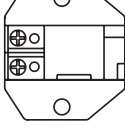

- **Flexible professional crimp system Kwik Cycle® using 16 interchangeable crimp inserts**

Characteristics

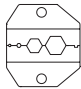

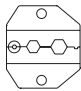

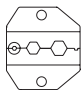

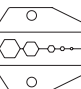

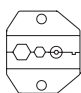

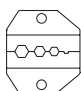

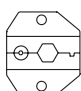

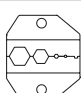

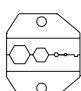

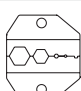

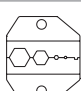

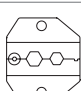

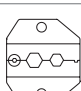

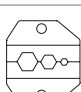

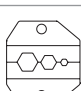

- Precise full-radius ratchet mechanism for exact, repeatable crimp connections at every operation
- With integrated lock that does not release the plug until optimum crimping is achieved
- The crimp inserts are manufactured from hardened, heat-treated tool steel for a long service-life
- The crimp inserts are easy to change and so can be quickly replaced
- Heat-treated, hardened tool steel frames for long and reliable operation

Item	Part No.
Kwik Cycle® 9 Crimp frames	50455044

KWIK CYCLE® 9			
Interchangeable dies for modular plugs			
Description		Connection type	Part No.
Kwik Cycle 9 crimp frames with insert for 8-pole modular AMP-RJ45 connectors			50455400
Insert for 8-pole modular AMP-RJ45 connectors			50461176
Kwik Cycle 9 crimp frames with insert for 4 and 6-pole modular AMP-RJ11 connectors			50455419
Insert for 4-pole and 6-pole modular AMP-RJ11 connectors			50461184
Kwik Cycle 9 crimp frames with insert for 2, 4 and 6-pole RJ11 connectors (Western Electric and Stewart types)			50461206
Insert for 2, 4 and 6-pole RJ11 connectors (Western Electric and Stewart types)			50461168
Insert for 6-pole DEC/MMJ-RJ11 connections with offset latch			50461192
Insert for 10-pole modular western connectors			50455710
Insert for 4-pole hand appliance connectors			50455664
